Instructions for Communication – Accommodation Request

NZIoS is committed to provide quality services and pastoral care for its students. NZIoS is signatory of Code of Practice (CoP) to ensure quality pastoral care to all of its students particularly to its students who are under the age of eighteen years (18).

NZIoS student services is able to assist in finding appropriate accommodation for its students. There are various accommodation options available to our students ranging from New Zealand family home stays to renting independent apartments.

Parents and/or designated caregivers and students may request NZIoS to arrange accommodation. The procedure for such communication is as follows:

1. Please direct all communications to studentservices@nzios.ac.nz.
2. In the subject line of the email, write 'Accommodation' and explain the purpose and desired accommodation options in the email.
3. Parent and/or designated caregiver must write email from the personal email address provided to NZIoS in the admission application or 'Contact Details Form'. Students must use NZIoS email address or must write email from the personal email address provided to NZIoS in the admission application or 'Contact Details Form'.
4. Accommodation requests may be sent to find new accommodation as well as change current accommodation options.

NZIoS student services shall respond within two working days. Please write again after two days if you do not hear back from NZIoS student services within two working days.
